

BFACT Tournament Secretary Report – 2024

2024 saw selection events held to form representative teams for Open, Seniors and Womens teams. The Youth team was formed by the Youth Co-ordinator.

The Womens and Seniors qualifying events were cancelled due to insufficient entries and the entering pairs proceeded direct to the finals. Both events had 12 pairs competing to choose 3 pairs to form the representative team. The Open had stage 1 and stage 2 events with stage 1 qualifying 9 pairs to the final and the stage 2 event qualifying 3 pairs to the final.

The ANC was held in Orange, New South Wales. In the Interstate teams competition the Womens and Youth teams placed fifth. The Seniors placed sixth and the Open placed seventh.

For this year the ACT 1 GNOT team is the winner of the Knockout teams event, the ACT 2 and ACT Provincial teams were decided by the Gala pairs results. In 2023, the ACT teams all lost matches in the knockout phase and did not qualify for the finals through the repechage.
